

DISTRICT FORMATION SUPPLEMENT

A. Justification

1. Is the proposed district a registered voter district or a landowner voter district? Yes _____ No _____
2. Under what principal act will the new district be formed? *(Note: Pursuant to §56100, proceedings for the formation of a district shall be conducted as authorized by the principal act of the district proposed to be formed, except that the commission shall serve as the conducting authority and the procedural requirements of the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 shall apply and shall prevail in the event of a conflict with the procedural requirements of the principal act of the district.)* _____

3. Explain why the formation of a new district is being proposed. _____

4. List all of the services to be provided by the proposed district and discuss why the services are necessary at this time. _____

5. Explain why a new district should be formed instead of annexing territory to an existing district. *(Note: Pursuant to §56886.5, if a proposal includes the formation of a district, the commission shall determine whether existing agencies can feasibly provide the needed service or services in a more efficient and accountable manner. If a new single-purpose local agency is deemed necessary, the commission shall consider reorganization with other single-purpose local agencies that provide related services.)* _____

6. Describe how the district's board of directors would be established (elected, appointed by the County Board of Supervisors, or the County Board of Supervisors themselves). _____

7. What is the potential for the proposed district to be expanded in the future or provide similar services to a larger area? _____

8. Why or how will the formation provide greater efficiency in the delivery of governmental services? _____

B. Boundaries and Sphere of Influence Information *(Note: A "sphere of influence" is defined as a plan for the probable physical boundaries and service area of a district, as determined by LAFCO [§56076]).*

1. Describe the rationale and methods used to establish the boundaries of the proposed district. _____

2. Will the district boundaries and sphere of influence boundary, be coterminous? _____

3. If a sphere of influence is proposed to exceed the proposed district boundaries, explain the rationale used to support the larger sphere of influence. Please show the sphere boundaries on the map of the district boundaries.

4. Does the proposed district or its proposed sphere of influence overlap with any other local agency boundaries or sphere of influence boundaries? If yes, please list the affected local agencies. _____

C. Plan for Services / Municipal Service Review

Please prepare a Plan for Services and Feasibility Study labeled that provides the following information that specifically describes how the proposed district will provide the identified services. *(Note: Pursuant to Government Code Section 56653, whenever a local agency submits a resolution of application for a change of organization or reorganization, the local agency shall submit with the resolution of application a plan for providing services within the affected territory. The Plan for Services will provide the baseline of information to LAFCO in order to prepare a Municipal Service Review (MSR) pursuant to Government Code Section 56430 and to establish the sphere of influence for the new district.)*

1. Provide a thorough description of the level and range of each service to be provided to the territory within the proposed district. _____

2. When can the identified services be feasibly extended to the affected territory? _____

3. Identify any improvement or upgrading of structures, roads, sewer or water facilities, or other conditions the new district needs to impose upon the affected territory. _____

4. Provide the estimated cost of extending the service, a description of how the service or required improvements will be financed, the anticipated structure of the governing body, and a projected five-year budget for revenues and expenditures. _____

5. If retail water service is to be provided through the new district, provide a description of the timely availability of water supplies for the projected needs within the new district boundaries based upon the factors found in §65352.5 as required by §56668(k). _____

6. Will the new district share property tax revenue generated within the boundaries of the district? If yes, please provide an approved tax-sharing agreement between the affected local government agencies. *(Note: Any new taxes proposed for the new district must be voter-approved pursuant to the requirements of Proposition 218.)* _____
